

Wellbeing Newsletter September 2021

Welcome to all our new families across the school.

Attendance

As we move towards “normal” , it is really important that the children are in school to give them the best possible chance to learn.

Similarly it is important that children are here on time. Lessons start between 8:45 and 8:55 for reception/Y1/Y2.

8:50 and 9 AM for Y3456. Arriving late means that they miss the input and are then trying to catch up until the next lesson. This can cause anxiety in the children that can stay all day.

Income related Free school Meals (IRFSM)

Circumstances change and families may find themselves entitled to apply for IRFSM. This is more than just lunch at school. School can access further funding to help with resources, staffing, intervention groups. All reception children and KS1 children in England get a universal free school meal but you may still be eligible to apply for IRFSM. Last year families on IRFSM had access to a winter fuel grant, uniform grant, free FABS places and Christmas toys.

Take a look at:
