## Behaviour Policy

Date:	February 2022
Chair of Governors:	Sharon Hennam-Dale
Review:	February 2023

## **Introduction**

Our Christian values play an integral role in the spiritual, moral and social development of the pupils at Mossley CE Primary School. Our school values are thankfulness, hope, endurance, peace, creativity and knowledge, and they drive everything that we, as a school, do. Whilst values are sometimes expressed explicitly, they are more often implicit in the ways in which we behave ourselves, and how we expect others around us to behave. Thus, it is important to provide clear guidelines for a consistent and coherent approach to behaviour and discipline within the school.

## **Aims**

- To promote a culture and environment that promotes the well-being of all, where everyone feels safe and can learn effectively
- For every member of the school community to feel valued and respected, and for all persons to be treated fairly
- To teach pupils behaviour that is appropriate for many different situations
- To develop within our pupils a sense of pride in the way in which they conduct themselves
- To promote self-awareness amongst pupils, where they recognise and manage their emotions and reactions
- To develop responsible pupils, who have positive attitudes towards everything they do
- To support children whose behaviour within the school environment is challenging, or who may find certain aspects of social interaction difficult
- To instil within our pupils a belief that forgiveness is a path which leads to positive reconciliation

## **Objectives**

- Provide clear expectations for a range of situations that children will meet within the school day and/or on the school premises
- Provide clear strategies for regulating conduct and promoting good behaviour, self-discipline and respect
- Reinforce positive behaviour so that children feel good about themselves, and so that all children are exposed to positive role models
- For all staff to focus on de-escalation and preventative strategies rather than reactive
- For all staff to understand how to manage difficult or dangerous behaviour, and have an understanding of what challenging behaviour might be communicating
- Prevent bullying

## **Expected Behaviour**

All groups within the school community must understand the expectations of behaviour in different situations. These include: working together as a whole class; group work and independent work in the classroom; conduct on the playground and in communal areas; and conduct when representing the school on trips or competitive events.

## **Roles, Rights and responsibilities**

In order to achieve our aims and objectives, we recognise that different groups of people need to work together. These groups include children, teachers, non-teaching staff, parents and governors. Individual members of these groups play different roles and have different rights and responsibilities.

### **The role of parents and carers**

- The school works collaboratively with parents so that pupils receive consistent messages about how to behave at home and at school
- The school rules are explained at our introductory parents' meeting (how to help your child succeed evenings) and we expect the parents to support the school in implementing these
- Establish a supportive dialogue between school and home, with parents being informed appropriately if there are any concerns about pupil behaviour or welfare. If the school has to use reasonable sanctions, parents should support the actions of the school. If a parent has any concerns about the way their child has been treated, they should initially contact the class teacher. If the concern remains, they should contact the Headteacher. If their concern remains, they should contact the Chair of Governors
- Inform the school of any medical or social circumstances that might affect the behaviour of a student
- Provide their child with the opportunity to discuss school so that any worries or concerns are recognised at an early stage

- Provide opportunities for dialogue with children, staff and parents

### **Whole School Strategies**

#### **Code of Conduct:**

Our school vision and mission statement sets out the behaviour we expect from the adults and pupils in our school. These principles include:

- We respect everyone and everything, in all that we do
- We work as a team, supporting and encouraging one another
- We never give up, no matter how challenging something is
- We always try to approach things with positivity
- We are always safe and sensible around the school

*Written by the Pupil Leadership Team (February 2022)*

In addition to this, each class has agreed its own rules which are displayed in the classroom.

As well as the 'principles' mentioned above, every member of the school community should apply the following principles:

- We do not condone inappropriate behaviour
- You own your own behaviour

#### **Support**

Children will be supported in behaving as we expect through the following means:

- House teams
- Worry box (every classroom)
- Parental involvement in support programmes
- Head/deputy/SENDCo involvement in support programmes
- Use positive rather than negative phrasing
- Limit choice (e.g. Where shall we talk, here or in the library)

## School Behaviour System

At Mossley, our approach to managing behaviour follows PACE:

P - playfulness

A - acceptance

C - curiosity

E - empathy

Children will be encouraged to behave correctly through praise and lessons planned to meet their needs and abilities. Sanctions will be applied as follows:

### Step 1

- If a pupil is not following the school 'code of conduct', teachers will use positive praise for those who are, so as to encourage them to rectify any inappropriate behaviour.

### Step 2

- A verbal warning will be given if this behaviour continues.

### Step 3

- If a pupil continues to not follow the school 'code of conduct', the consequence will be that they will miss 10 minutes of the following playtime. This time will be spent teaching the pupil how to improve on their behaviour.

### Step 4

- If a pupil continues to not follow the school 'code of conduct' and their behaviour needs to be addressed a fourth time, then they will miss the entirety of the following play time. Some of this time will be spent teaching the pupil how to improve on their behaviour. At this point, the pupil will also meet with the Head/Deputy Head to discuss their inappropriate behaviour.

If inappropriate behaviour is a regular occurrence, parents/carers, teachers, and a member of the SLT will meet and a plan will be discussed for the pupil. **Continued disruption of other pupils' learning will not be tolerated.**

## Serious incidents

Extreme incidents of poor behaviour (e.g. extreme violence to a member of the school community, abusive language directed at others, or spitting at others etc.) will result in a meeting with parents/carers and the Headteacher. Following this, a fixed term exclusion may occur if the behaviour continues (please refer to the exclusion policy). Each case will be reviewed independently.

The Christian values of the school are as follows:

- Peace - We encourage children to be peace makers and peace keepers. We help children learn how to get over arguments quickly and fairly. We make sure we give our children times when they can be peaceful and calm as well as times that are more noisy and busy. We encourage children to share peaceful times with God through prayer
- Wisdom - We teach children that wisdom can be of many kinds and can belong to people of all ages and all walks of life. We expect children to hear and value different sources of wisdom in

our school community. We teach children to grow in understanding of themselves. We inspire children with the stories of wise leaders and inspirational figures. We encourage the children to understand what it means to say that God is the source of all true wisdom

- Thankfulness - We teach the children to say thank you. We encourage the children to appreciate the good things they have in their lives with gratitude. We thank God in our worship for the good things he gives us and for his love to each one of us
- Hope - We encourage children to be hopeful, to think positively. We work hard to bring hope to children whose lives are difficult at the moment. We tell children about the hope we have in Jesus
- Creativity - We teach the children to take care of the world. We encourage the children to think and act creatively. We use creative approaches to how we teach. We value opportunities in the curriculum to teach the creative arts
- Endurance - We encourage the children to keep going even when things are tough. We ensure that the work we give children is challenging enough that all children have opportunities to develop persistence. We want all children to experience success, but also to appreciate that sometimes success involves struggle. We tell the children that God's love for them endures for ever, whatever they do.

### **House points**

House points will be used as a reward system for the following:

- Outstanding behaviour
- Modelling of our Christian values
- Exemplary attitude
- Exceptional attainment and effort
- Subject specific competitions
- Inter-house competitions

Teachers will each be limited to awarding five house points each day. House points **cannot** be rescinded once awarded.

### **Further rewards**

- Praise for appropriate behaviour
- Drawing attention of others to their good behaviour
- Postcards home
- Phone calls home
- Visit from Head/Deputy
- Celebration assembly class certificates, sports certificates, Maths/SpellingShed certificates etc.)

### **Discipline Beyond the School Gate**

When there is a case of poor pupil behaviour beyond the school gate (travelling to or from school, taking part in any school-organised or school-related activity, wearing school uniform or in some way identifiable as a pupil of the school), the school may enforce its right to apply a consequence to a pupil in school.

Examples of this may include:

- Continued bullying of a pupil outside of school
- Use of cyber bullying outside of school

- Inappropriate behaviour taking place close to the start/end of the day when pupils are in school uniform
- Behaviour that poses a threat to another pupil or member of the public
- Behaviour that could have repercussions for the orderly running of the school
- Behaviour that could adversely affect the reputation of the school

### **Focus Weeks/Behaviour Hotspots**

Routinely throughout a half term, there will be a focus on one particular type of behaviour (E.g. conduct when moving between areas, playing with those we don't usually play with, using our best manners etc.) This will be led by the head/deputy and reinforced by all staff through naming and acknowledging children who demonstrate that behaviour.

### **Equality**

Our whole-school approach is informed by the 2010 Equality Act and protects the nine characteristics that it sets out:

- Age
- Gender
- Race
- Disability
- Religion or belief
- Sexual orientation
- Gender reassignment
- Marriage or civil partnerships
- Pregnancy and maternity

There is a zero-tolerance approach towards any discrimination aimed towards any of these protected characteristics.

### **Sexism and Sexual Harassment**

At Mossley, we want everyone to feel included, respected and safe at our school. We will not tolerate verbal abuse, which includes name-calling and sexist comments.

Sexist comments are those which discriminate based on sex.

Sexism also includes behaviour or attitudes that create stereotypes of social roles based on sex.

All staff and pupils are encouraged to call out and/or report this behaviour. If pupils make these comments, we will:

- Ask them to apologise to anyone the comment was directed at
- Support and educate them to improve their behaviour
- Monitor their behaviour for any recurrence
- Escalate the sanction to a letter or phone call to parents if the pupil refuses to apologise in the first instance

Our PSHE and RSE curriculum will cover what healthy and respectful behaviour towards one another looks like.

This demonstrates our zero-tolerance approach better by making the following things clearer:

- What the unacceptable behaviour involves
- What we want the culture in our school to be
- How we will respond to this behaviour
- How we will support the victim(s) and alleged perpetrator(s)

### **Monitoring**

- The Head/Deputy monitor the effectiveness of this policy on a regular basis. They also make reports to the governing body on the effectiveness of the policy, and if necessary, makes recommendations for further improvements
- Class teachers record incidents on CPOMs, where a child is sent to them on account of seriously bad behaviour
- Records of any incidents that occur at break and lunchtime are kept in ‘
- The Headteacher keeps a record (on CPOMs) of any pupil who is internally, fixed term or permanently excluded
- It is the responsibility of the governing body to monitor the rate of exclusions and to ensure that the school policy is administered fairly and consistently
- The governing body reviews this policy every year. They may, however, review the policy earlier than this, if the government introduces new regulations, or if they receive recommendations on how the policy might be improved.
