Each section provides answers to questions from the Parent/Carer's Point of View. The questions have been developed using examples from Pathfinder authorities, such as the SE7 Pathfinder Partnership, in conjunction with questions from Cheshire East parent carers.

The requirements for the SEN Information Report have been incorporated into this document, based on the latest draft version of *the Special Educational Needs (Information) Regulations* (correct as of May 2014). Questions providing information required as part of the Information Report Regulations are shown using the letters **IRR** (Information Report Regulations).

Identification

How will you know if my child or young person needs extra help? *(IRR)*

Within our school there is a wealth of experience on our team and this is used to ensure the early identification of pupils who may need extra help is quickly seen. It can come from a number of sources these being:-

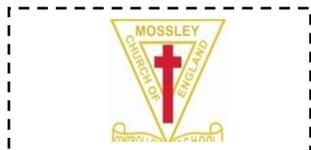

- Concerns raised by parents/carers, teachers, learning assistants or the pupil's previous school.
- There may be a lack progress so a child may be identified as performing below age related expectations.
- A pupil asks for help.
- There is a change in the pupil's behaviour or low self-esteem that is affecting performance.
- Liaison with external agencies or a health diagnosis through a paediatrician

What should I do if I think my child or young person needs extra help?

In the first instance, parents should contact the class teacher to discuss concerns. After this discussion, the class teacher will liaise with the Special Educational Needs and Disability co-ordinator (SENCo).

Where can I find the setting/school's SEN policy and other related documents? *(IRR)*

Please visit www.mossleyceprimary.co.uk The website provides you with all relevant school policies and documents relating to provision offered to our pupils.

Teaching, Learning and Support

How will you teach and support my child or young person with SEND? *(IRR)*

- Adapted and differentiated Quality first teaching.
- Access to any required intervention as agreed by the class teacher, SENCo and parent.
- Additional support from adults around the school
- Access to other professional advice when required

Regular dialogue between teacher, child and parent

How will the curriculum and learning environment be matched to my child or young person's needs? *(IRR)*

- All work is differentiated to meet the individual needs of all children. However on occasions it is necessary to personalise the curriculum to enable a child to be fully included.
- The learning environments are adapted to make the working areas dyslexic and autism friendly.

How are the setting, school, or college's resources allocated and matched to children or young people's needs?

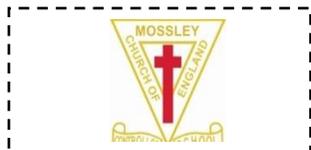

Each school's delegated budget includes a notional SEN allocation known as 'low cost high incidence' SEN Support (LCHI) funding. Schools are required to fund the first £6,000 of additional costs per child with SEN; this funding is used to implement strategies such as resources and/or additional support (for the latter, this is equivalent to 12 hours of funding at £514 an hour).

How is the decision made about what type and how much support my child or young person will receive? Who will make the decision and on what basis? *(IRR)*

A meeting is arranged with the parent, class teacher and SENCo to discuss "first concerns".

How will equipment and facilities to support children and young people with SEND be secured? *(IRR)*

Should it be necessary to have specific equipment to meet any additional needs these are generally met from the school's budget as is any additional support. Should this not be possible there are a number of outside agencies who can be contacted to provide specific equipment either to purchase or on a loan basis.

Teaching, Learning and Support

How will you and I know how my child or young person is doing and how will you help me to support their learning? *(IRR)*

Your child's progress is monitored by the class teacher through both formal and informal assessments.
The progress of children with a School Support Plan is reviewed termly, with all parties, against the objectives set at the planning stage.

How does the setting, school or college consult with and involve children and young people with SEND in planning and reviewing their education? *(IRR)*

The child is involved in the whole process of any support plan that is put in place. They are supported to attend all the meetings to ensure they have a voice.

How does the setting/school/college assess and evaluate the effectiveness and sufficiency of its arrangements and provision for children and young people with SEND? *(IRR)*

- Review of any support plan on a termly basis.
- Tracking of data for that child
- Discussions with parents, adults and the child
- Detailed record keeping from staff on the impact of the provision

The SENCo measures and monitors the overall effectiveness of provision through classroom observations and working with the child.

Keeping Students Safe and Supporting Their Wellbeing

How do you ensure that my child or young person stays safe outside of the classroom?

Detailed risk assessments will be completed for any trip taking place outside of school and are approved by the Educational Visits Coordinator (EVC) then the Head teacher and where necessary the local authority.
All staff are trained in Safeguarding to at least level 1 and have completed relevant checks prior to working in school. There is a designated Safeguarding lead.

What pastoral support is available to support my child or young person's overall well-being?

Children are aware of who they can talk to if they have any concerns. We offer a stepped approach to support which includes 1:1, nurture groups and small

intervention groups. We also have access to several outside agencies including a health and wellbeing worker, Cheshire Play Therapy services, the school nurse should they be needed. School can also access the Educational Psychologist and CAMHS if necessary.

How will the setting, school or college manage my child or young person's medicine or personal care needs?

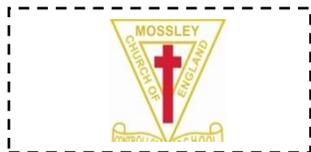

The school has a policy (available at http://www.mossleyce.cheshire.sch.uk/serve_file/86403) regarding the administration and managing of medicines on the school site. Parents need to contact the office staff if medication is to be taken during the school day. On a day to day basis the Admin Staff generally oversee the administration of any medicines. As a staff we all have regular training and updates of conditions and medication affecting individual children so that all staff are able to manage medical situations. This is delivered by specific health professionals eg the diabetic nurse.

What support is available to assist with my child or young person's emotional and social development? (IRR)

We are one of the few schools in Cheshire to have been awarded the Wellbeing Award for Schools. The class teacher has overall responsibility for the pastoral and social care of every child in the class, therefore this would be the parents' first point of contact. If further support is required the class teacher liaises with the SENCo for further advice and support. This may involve working alongside outside agencies. Our wellbeing policy can be found at http://www.mossleyce.cheshire.sch.uk/serve_file/231694

What support is there for behaviour, avoiding exclusions and increasing attendance?

As a school we use positive behaviour strategies with a clear reward system that is followed by all staff and pupils. Individual raffle tickets are rewarded and a weekly draw is held during the celebration assembly. Each Friday we hold a VIP lunch for children chosen by the lunchtime staff who have shown good manners. Attendance certificates are awarded at the end of the year to reward 100% attendance.

Working Together & Roles

What is the role of my child or young person’s class teacher?

The role of the class teacher is to :

- Ensure inclusive quality first teaching is delivered to all children.
- Plan and assess differentiated lessons
- Use a range of strategies and resources
- Track the progress of every child and report to parents termly
- To ensure they provide a positive and supportive environment to enable the children to learn.

Who else has a role in my child or young person’s education?

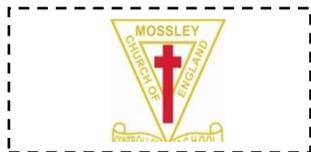

- The class teacher
- Learning assistants
- Midday assistants
- Admin staff
- Head teacher
- Students on placement

Working Together & Roles

What opportunities are there for parents to become involved in the setting/school/college and/or to become governors?

Parents are encouraged to support their child's learning with a fortnightly "Heads up at home" newsletter. We hold termly parents' meetings where written feedback is given. We hold information evenings and workshops for parents. Parents are encouraged to become Governors through a democratic process and we regularly promote questionnaires gaining parents views and our open door policy. A termly drop in coffee morning is held with the SENCo where parents can express their views and opinions.

What help and support is available for the family through the setting, school or college? *(IRR)*

Our school staff can signpost parents onto the necessary organisations that support and advise parents. We offer support with forms and procedures that are needed to access support that is available for families. In addition, we employ a Family Liaison Officer who works closely with families to offer such support.

Transition

Who should I contact about my child/young person joining your setting, school or college? *(IRR)*

We welcome visits to school at any time although these need to be agreed/arranged with school prior to the visit. Please contact the school Admin office to arrange to meet the Head teacher, who will willingly discuss how the school could meet your child's needs. Our admission arrangements are clearly explained on their website http://www.mossleyce.cheshire.sch.uk/serve_file/242814

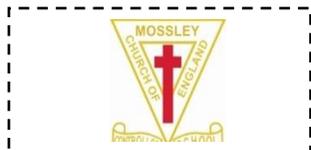

How can parents arrange a visit to your setting, school or college? What is involved?

Please contact the school Admin office to arrange to meet the Head teacher, who will show your round the school and willingly discuss how the school could meet your child's needs.

How will you prepare and support my child or young person to join your setting, school, or college and how will you support them to move on to the next stage, or move on to adult life? (as applicable for setting) *(IRR)*

We recognise that 'moving on' can be difficult for a child with SEND and take steps to ensure that any transition is as smooth as possible.

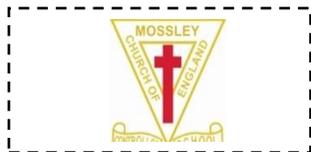

- If your child is moving to another school:
 - We will contact the new school's SENCo and ensure s/he knows about any special arrangements or support that need to be made for your child.
 - We will make sure that all records about your child are passed on as soon as possible.
- When moving classes in school:
 - Information will be passed on to the new class teacher IN ADVANCE and in all cases, a planning meeting will take place with the new teacher.
 - If your child would be helped by a book to support them understand moving on then it will be made for them.
- Transfer to Secondary School
 - Where possible your child will visit their new school on several occasions and in many cases staff from the new school will visit your child in this school.
 - If needed the CEAT team provide a range of transition materials that can be used on a 1:1 basis or in small groups.
 - Learning assistants may accompany children to high school before the official transition days.
