Mossley C.E. Primary School

Prospectus

Welcome to Mossley C.E. Primary School

growing & learning together

At Mossley C.E. Primary School we pride ourselves on making sure that every child receives the highest standard of education, care and support. As an Academy we are proud to be catering for the needs of the children of Mossley, both now and in the future.

"The school extends an outstanding level of careful planning to ensure that the provision nurtures and offers a fully inclusive and accountable learning experience."
Inclusion Quality Mark - December 2009.

We work effectively as a partnership between home and school ensuring good communication, support and guidance. At Mossley C E Primary School we make sure learning is fun! Through the Christian ethos we ensure every child is valued and their learning personalised.

"Mossley C.E. Primary School is an outstanding Church School" SIAS report 2010.

Sue Aston

Making the right start

every child matters

Every child at Mossley C.E. Primary School is unique. We believe that from the minute you first enter the school to the day your child leaves at the end of year 6 we will cater for your child's needs, academically, socially, morally, emotionally and physically.

We tailor the creative curriculum to be relevant to your child, we provide opportunities that will excite your child and extend their learning and we provide a positive environment where your child can thrive and develop. At Mossley C.E. Primary School every child really does matter and our caring and inclusive Christian ethos ensures that all children feel valued at all times.

The links with the Church are strong through visits at Harvest, Christmas and Easter and through our rich RE curriculum.

Your child's journey

reception the first steps

Every journey must start with a first step and at Mossley C.E. Primary School we strive to ensure that your child's first step will be a happy and successful one.

We have a team of highly trained, enthusiastic and caring individuals who work exceptionally well together and the experience they provide was described by Ofsted as "A particularly rich early learning curriculum. They are also exceptionally well cared for, with very effective guidance and support for their emotional, social and personal development." March 2010.

Your child will experience a complete induction programme in the Summer term prior to starting school. You will have a chance to meet all the staff and your child will have time in the Foundation Stage learning environment. This will include a 'getting to know Reception' meeting, afternoon visits and a full day including lunch.

66

The reception environment at Mossley is superb for encouraging a love of learning through fun and challenging activities and it is because of this that our daughter has achieved amazing educational progress and results.

Rachel Whitehead, Parent.

“
I love Mossley
because there are so
many opportunities
for everyone.
Amy aged 9.
”

Our environment

a future for all our children

At Mossley C.E. Primary School we believe that learning does not begin and end in the classroom. With this in mind we have developed all of our grounds to provide learning experiences beyond the traditional curriculum.

We provide children with experiences of nature, gardening, sporting success, creative arts, science and health and physical well being that caters for the interests and strengths of every child and provides them with the roots that help them blossom into productive, caring and well developed members of society. Children are also offered the opportunity for 'outdoor learning' through Forest School Club and Eco. We are proud to have the Eco-School Green flag, a national award that recognises our commitment to protecting the environment for future generations.

"Pupils' adoption of healthy lifestyles is outstanding and their contribution to their school and wider community is exceptionally good". Ofsted 2010.

The next steps

your child's development

"The secure family environment created by the Headteacher, Staff and Governors ensures Children feel valued and special".
Statutory Inspection of Anglican Schools
March 2010.

As a school we make sure that all children have equal importance and we work together as a whole staff to ensure that every child reaches their full potential. We meet regularly to discuss children's progress and carefully analyse and track their academic progress to make sure we are always moving forward. As well as academic progress the children enjoy a vast range of extra-curricular opportunities which build on their own skills and those of our extremely talented staff to ensure that all children share in the school's success. We believe in providing for the 'whole child' and create opportunities for all to succeed, whatever their strengths. We are proud of our sporting achievements and the competition in both inter and intra schools.

A range of musical experiences and tuition such as ukuleles, violins, cellos and rock school are enjoyed by all KS2 children.

Broader horizons

learning, fun & growing up

At Mossley C.E. Primary School we are committed to the development and care of all our children. We believe passionately that if we are caring, open, honest and sympathetic role models then our children will develop into the same.

We provide many opportunities within and beyond the curriculum to ensure that their spiritual, social and moral development is outstanding. We also involve the children in the decision making in the school. The school council has initiated changes in the school grounds, lunch time menu and support for charities such as Leukaemia and Cancer Research, Children in Need and local charities. These programmes allow the children to demonstrate their maturity, creativity and compassion on a regular basis. We provide residential experiences for Year 4 and Year 6. We have links with other schools both nationally and internationally.

We are actively involved in community projects and activities including the Carnival, bulb planting and the junior council.

66 Millions of memories I will never forget at Mossley.
Alice aged 11.

With you all the way

your child's next steps

We don't believe that your child's learning journey ends at the end of Year 6. We work effectively with all of the local High Schools to ensure that your child's progression from one school to another is seamless.

Through our exceptional relationships with outside agencies we have a proven track record in obtaining help and support when children need it. We are part of the Congleton Education Community Partnership which provides services to all children in Congleton when the need arises. Our aim is to make sure that when the children leave us they have the necessary confidence, social skills and academic ability to take on what ever challenges await them at high school, knowing that the opportunities we have provided them with will ensure that the bonds of friendship and citizenship that they have made will stay with them throughout their lives.
